

Schoepe Scout Reservation at Lost Valley Campmasters and Friends of the Valley

The **Campmaster Corps** is a group of volunteers who serve as camp staff on the weekends throughout the year. They operate the program areas such as the archery, rifle and shotgun ranges*, rock climbing* and COPE*, trading post, and activities and sports area for the cub, webelos and/or scout participants. (* These areas require special training that we can provide for you.) Campmasters and their families are housed and fed for free in return for offering program – four weekends a year are requested, but not required, and you have the choice of weekends. Programs that are currently offered at Lost Valley that Campmasters staff include Webelos Partner & Pal; Webelos Great Adventure Camp; Holiday Family Camp; merit badge weekends; and Venturing weekends.

Minimum requirements for adults are: registered Scouter; over 18 years of age; Scouting background; Youth Protection Training; Outdoor Skills. Youth Campmasters are a minimum of 14 years old; Star rank or higher; Troop leadership experience; Scoutmaster's recommendation (adult sponsor/supervision required for 14 – 15 years old).

The **Friends of the Valley** is our second group of volunteers that provide maintenance and construction services to Lost Valley one weekend a month (except during the summer months). Participation on a monthly basis is not mandatory as the work is planned around who is available for the planned weekend and their skills. With the majority of the work that is done at the valley being provided by the Friends and other volunteers, it is a very important and rewarding commitment that you can make. Although the Friends do not have direct contact with the youth participants, their work is extremely valuable in support of the programs and facilities that the youth programs utilize. Friends are housed and fed for free in return for their services.

If you enjoy the outdoors, find fulfillment in working with youth, and don't mind a little work, the Campmaster Corps and/or Friends of the Valley may be for you.
